

Why You Should Choose Our

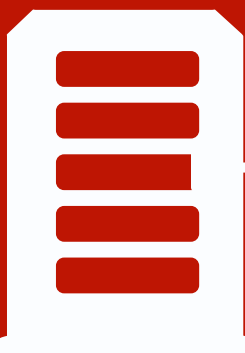

PRIMARY CLOUD BACKUP SOLUTION

We keep your data encrypted keeping your information safe at all times

Hosted in a UK Data centre

Keeping your SIMS data ISO 9001, 27001 compliant

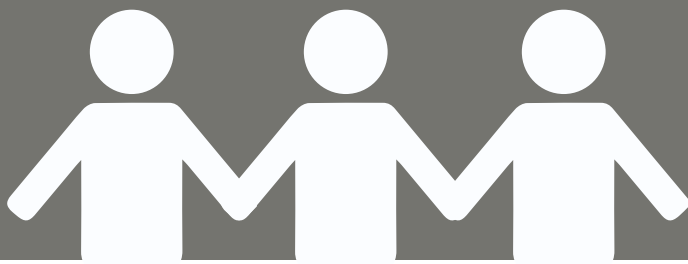

We include multiple server agents - looking after your core services

We provide a

Managed Data Service

where real people will alert you in the event of a backup failure

We offer a

365 Day

retention period, allowing you to retrieve work for up to a year

In the event of a disaster

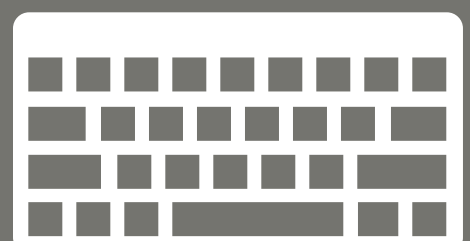

we will carry out a virtual machine recovery of your SIMS Server...

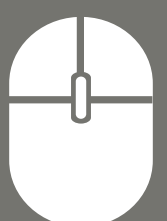

... allowing you to access your data from anywhere, using any device

WE HAVE DIFFERENT SOLUTION PACKAGES AVAILABLE THAT MEET YOUR INDIVIDUAL SCHOOL'S NEEDS
